The Bond Suite
Carlisle Bay
Antigua

The Bond suite is a privately owned, three double bedroomed, all en-suite, first floor apartment. It is situated in the middle of the exquisite Carlisle Bay Hotel, right on the beach that's accessible by private steps. Furnished in the Antigun minimalist style, it compliments the rest of the property. It has a kitchen, spacious living room and large terrace with fabulous views of Monserat through the palm trees. This property is owned by the Bond family and Ina & David are always happy to enthuse about this idyll they love so much.

Carlisle Bay, part of CampbellGray Hotels, introduced a new kind of contemporary luxury to Antigua. The hotel's design is a triumph of contemporary minimalism, the soothing neutral palette complemented by sombre woods, splashes of vivid colour and statement-making accessories.

The resort has wonderful recreational facilities, with swimming pool, tennis courts, gymnasium, and water sports being supplemented by the 17,000 sq.ft. Blue Spa offering anything from outdoor Pilates classes to couples massages.

There are two restaurants: Indigo on the Beach an alfresco affair for health-conscious grills and freshly-caught seafood; East a stylish indoor venue specialising in pan-Asian cuisine. Other innovative 'wow factors' include a screening room for daily movies and a stunning library offering the latest beach reads.

At The Bond Suite at Carlisle Bay nothing has been left to chance, offering you the perfect holiday destination.
